

### ### Meeting Minutes

**\*\*Title:\*\* Weekly Team Meeting**

**\*\*Date:\*\* Automatically Generated**

---

### ## Summary

A lot of students are skipping on Fridays. I've had a number of students come by my office with symptoms like sniffing and coughing. We should put up posters with tips for not getting sick since it's almost flu season. John Smith has missed seven days already and it's only November. I might be able to fill in the gaps there. I'll look for some free or low-cost Resources in the community to share with John.

---

### ## Key Discussion Points
